Manuscript corrections. Dated in ms. at top of leaf 1, "Antes de 1614."

As the author refers, in the portion of the text quoted above, to 1608 and 1609 as past years, and as the King of Spain wrote to Valdivia on December 8, 1610, informing him that his advice in regard to cutting short the war in Chile has been acted upon, the present letter was probably written early in 1610. *cf.* Medina. The date of the present letter (though the British museum suggests 1615) cannot be earlier than 1620, for the context shows it to have been written in Spain after the author had completed his work in Chile, which he began in 1612 (*cf.* verso of leaf 1) and which continued eight years. He states (leaf 1, recto) that he was sent to Chile "29 años ha". Medina gives February 9, 1593 as the date of his departure from Lima and April 12 of the same year for his arrival in Santiago. *cf.* Medina, Biblioteca hispano-chilena, 1897, t. 1, p. 179-192.
